

Honorable Brooks,

My name is Jimmy Boyd. I am writing you concerning the murder conviction of Jonathan Nakhla. I had the privilege of working with Jonathan as a Physician assistant at Mobile Infirmary and became good friends. As My heart goes out to all parties affected by this tragedy; I feel like the conviction of reckless murder is excessive and unjust. Dr. Nakhla is compassionate, a very talented surgeon, and very well regarded by everyone that knew him. During the pandemic, my hours were cut and my family was struggling financially. He paid out of pocket to subsidize my salary. The picture painted of him is not the person that I know. I had the opportunity of spending time with him and his wonderful family on numerous occasions and they will suffer greatly from this.

Regardless of innocence or guilt; I am reaching out to the court for consideration of leniency on sentencing. Thank you for your attention.

Thank You,

Jimmy Boyd
